DFuse: A Framework for Distributed Data Fusion *

by R Kumar - 2008 - Cited by 116 - Related articles - All 21 versions

in the task graph can be one of data source, **data sink**, or fusion point. A data source represents any ... the compressed **image data** to the collage function. Thus, the ity, **sharing**, concurrency, etc.) common to fusion environments ...

portal.acm.org/ft_gateway.cfm?id=958505&type=pdf

Enhancing Network Services through Multimedia Data Analysers

by F Samarin - 1997 - Cited by 4 - Related articles

Sink analysers **share** the same device and process as the **data sink** module. Sink analysers can be used to relieve the source from carrying are detected in the **image**, the video stream is magnified to reveal finer details. ...

portal.acm.org/ft_gateway.cfm?id=244238&type=pdf

INDRA Note 1185 INDRA Feb. 1982 Working Paper RFC 809 UCL ...

by T Chang - Cited by 3 - Related articles - All 165 versions

In order to dump a file, a task process od() is provided which works as a **data sink** in a command string. 4.5 Data Structure Facsimile **image data** is created ...

portal.acm.org/ft_gateway.cfm?id=RFC0809&type=txt

A Taxonomy of Data Grids for Distributed Data Sharing, Management ...

by S VENUGOPAL - 2006 - Cited by 137 - Related articles - All 58 versions

High-speed data movement, Optimal selection of data source and **sink** ware for providing a single system **image** across a collection of To conclude, Data Grids are being adopted widely for **sharing data** and collaboratively ...

portal.acm.org/ft_gateway.cfm?id=1132955&type=pdf

Dynamic Data Fusion for Future Sensor Networks

by U Ramachandran - 2006 - Cited by 17 - Related articles

surveillance, **image**-based tracking, and interactive vision. Many of these fusion applications **share** a common requirement, namely, hierarchical **data** ...

portal.acm.org/ft_gateway.cfm?id=1167940&type=pdf

KStreams: Kernel Support for Efficient Data Streaming in Proxy Servers

by J Kong - 2005 - Cited by 10 - Related articles

and **sink data** objects appears in Figure 1. Not shown in that figure is that handlers can also be associated ... interesting example is a class-based fair **share** scheduler [6], raw **image data** from a video camera in ppm format and a ...

portal.acm.org/ft_gateway.cfm?id=1066020&type=pdf

An adaptive framework for developing multimedia software components

by EJ Posnak - 1997 - Cited by 35 - Related articles

era, or file) and output **sink** (speaker, display device, storage server). ... blocks), and **share**

a reusable design architecture. To facilitate the development of such components, the ...
tions, the coded **image data** is passed down the ...
